# Bike & Surf

## The New Bike & Surf

Designed to be a quick, easy and cost effective way to convert an existing VW T5/T6 Kombi into a simple Campervan, Reimo's all new Bike & Surf concept is perfect for those who want to make the most out of their VW T5/T6 Kombi without the expense of a full conversion.

### Maxi-Bed module

Quick and easy to install and remove the Maxi-Bed module utilises the existing Kombi floor fixing points and allows the front row of rear seats to stay in situ. When required the bed simply slides over the seat to give a large flat 2m x 1.25m bed (2m x 1.6m with bed extension).
